

STROKE GROUP NEWS

September/October 2016, Issue 10

Welcome to the tenth issue of **Stroke Group News**.

The dates of our stroke group meetings for your 2016 diaries can be found below. We will be at the David Rayner Centre every Thursday afternoon from 1 – 4pm except for those Thursdays when the DRC has already been pre-booked or when Stroke Group trips are planned (these dates are highlighted in red below).

Our apologies for any confusion caused in the last newsletter regarding Thursday 15 September 2016. The centre was not available so there was no meeting.

VISITORS TO THE CENTRE

We are grateful to all the guest speakers who have visited and shared their knowledge with us.

In the last month, this has included Gerard Murray who talked about life working in the London Ambulance Control Centre which gave us all a fascinating insight. And Laurie Coppersmith whose recollections on 'Volunteering in an orphanage in South Africa' kept us all equally gripped.
